Intro

Verse 1

From heaven's joy you humbly came To shine into the world you made
The light of life for everyone That the darkest night cannot overcome

The Word adorned in bones and blood To make your dwelling place with us
Eternal glory now displayed In the Son of God, full of truth and grace

Oh what greater love You laid down your life
On the cross you paid Our redeeming price
You defeated death Raised in power to reign
You are glori -ous! Jesus strong to save

V3

The voice that called each star by name
Now stills the storm and calms the waves
Commands the ruined to arise You alone have words of eternal life

Instrumental

V4

The Son of Man now lifted high That all who look to you may live
The curse of Adam now undone See the empty tomb, see the risen Son
